

# *Have You Heard?*

## **We're on a Serious Mission to Bring HOPE to the People of Haiti.**

*(And, your referrals will help us send relief!)*

**Dear Friends,**

I know you were moved by the recent earthquake in Haiti as much as I was. That's why I have decided that all of the **Referral Reward Donations** earned in the next 60 days will be added to our **Hope for Haiti Campaign Fund**. Money in this fund will be sent to *The Salvation Army*, so they may continue their amazing efforts in that region.

Our Referral Rewards program remains the same: Simply provide a referral to our agency. Tell your neighbors, friends, families, co-workers or anyone else you know about our great services and products, just as you always have. If they contact us, we'll promptly add \$30 to our donation total.

You'll notice we have **TRIPLED** the regular charity donation from \$10 to \$30 for **EVERY** referral you send The O'Neill Group from now until **March 31st, 2010** in order to provide even more money to this very worthy cause. Together, we **CAN do something** to aid the Haitians in their time of need, and reach our goal of sending \$2,500 of relief their way!

**Sincerely,**

*Patrick O'Neill*

**Patrick O'Neill**

*P.S. You will still receive a \$10 Gas Card for each referral.*

*Consider it our way of saying "thanks" for helping our mission!*

*P.P.S. You can find out what else we are doing to raise funds for this campaign on our website!*
